

Welcome to Myers Park High School 2020-2021

We recognize that these are very difficult and unusual times for all students, teachers, staff and parents of our MPHS Family. Myers Park has been at the forefront of public education in Charlotte since 1951, and will continue to offer an active and well-rounded schedule for students and parents.

Our Principal, Mark Bosco, refers to our school as the “Myers Park Family”. Everyone plays an important role in cultivating this sense of family. The Parent Teacher Student Organization (PTSO) plays a central part by supporting and enhancing the educational experience offered to students by fostering relationships among the students, teachers, parents, staff and administrators. The PTSO develops and supports initiatives and programs by providing resources to improve the educational environment here at Myers Park.
