FINANCIAL POLICIES & PROCEDURES

- The Executive Committee is responsible for overseeing the financial efforts and impact of the PTSO.
- Funds raised through the PTSO Annual Fund are allocated according to approved budget. The Executive Committee shall allocate *additional* funds (those raised in excess of established budget).
- It is the goal of the PTSO to support and enhance the educational experience of all students thus all funds collected in each year should be distributed in the budget year or designated for specific future purposes.
- Myers Park High School funds must be held separately from MPHS PTSO funds. Myers Park High School staff should not be responsible for MPHS PTSO funds.
- Operating Budget Procedures:
 - The budget for the following fiscal year is prepared in the spring semester for approval at the Annual Meeting of the Executive Board. The budget is then presented at the fall meeting of the General Membership for final approval.
 - The Treasurer, with input from the committees and executive officers, shall prepare and present an initial budget to the Executive Committee for discussion, determination and ultimately adoption. Multiple budget planning sessions may be required.
 - Changes to the budget can be made at any time based on new information including additional funds raised, committee needs, etc. Changes less than \$10,000 may be approved by the Executive committee and greater than \$10,000 should be taken to membership for approval as prescribed by the By-laws.
 - Income and Expense Statements and current budget shall be presented to membership at the January membership meeting, should meeting be held, reflecting funds collected and distributions.
 - Executive Committee approval for expenses exceeding committee's budget is needed prior to expenditure.
- Direct School Support Funds: The Executive Committee oversees the distribution process for the School Support funds pursuant to the following process and specifications:
 - Funds are distributed based on the strategic focus and level of need as determined by school administration and the Executive Committee.
 - Executive Committee shall ensure spending is consistent with the nonprofit status of the organization.
 - Throughout each school year teachers and staff may submit grant requests for instructional, supply, professional development, and other needs to their department chair or directly to the principal.
 - Department Chairs will review requests and, if warranted, forward request to the Principal. Principal will review, based on need, funding options, strategic focus and if

appropriate submit to the Executive Committee for review/approval at regularly scheduled meetings.

- It is the goal to affect change for the greatest number of students and staff members possible given funding available for distribution.
- The original budget may designate a small portion of School Support funds as "Principal Discretionary." This amount allows some flexibility to meet time sensitive needs for smaller items. Items that fall under "Principal Discretionary" do not need to go through the normal approval process/meetings. A typical guideline for the "Principal Discretionary" amount might be no more than 10% of the proposed School Support budget.
- Budget Expenditures / Check Requests
 - The PTSO strives to secure quality products and services for the lowest cost. To that end, volunteers should seek multiple bids from vendors for products and/or services. The PTSO encourages the use of vendors who have ties to the school and wishes to offer support through the provision of goods and/or services.
 - All payments require a check request form and some other documentation (e.g., invoice, receipt, quote, etc).
 - Documentation for hours worked should be itemized list of dates and hours (can be written on the check request form). Payment for hours worked will require completed W-9 form.
 - Documentation for travel expenses (meals, hotel, mileage) should be on standard CMS Expense form and follow the same allowances (for example, mileage at \$0.545 per mile).
 - Documentation for tips paid should be a note signed by 3rd party (e.g., "I, Mary Smith, witnessed Jane Doe give \$20 cash to the pizza delivery driver.")
 - Gift cards cannot not be purchased to then spend on reimbursable items as there is no record of what was actually purchased. Gift cards can only be given as gifts for retirement, holidays, etc.
 - PTSO can re-coup sales tax if a vendor is paid directly. If the expense is large (over \$500), please consider getting a quote and requesting check in advance or asking the vendor to direct bill MPHS PTSO. If the expense is small, the committee may make the purchase and request reimbursement.
 - Check request forms are available on the PTSO website and in the treasurer's mail file in the MPHS mail room.
 - Committee chairs should review all invoices for accuracy.
 - Check requests (with attached documentation) may be submitted as follows:
 - Place in the Treasurer's mail file in the MPHS mail room. Mail to treasurer at home address
 - Email to mphs.ptso.treasurer@gmail.com
 - Checks require two signatures, so please allow two weeks for processing. If you need a check urgently, please alert the treasurer as soon as possible and be prepared to come pick up if needed.
 - All expenses over budget must be approved in advance.
- Collecting Funds / Deposits

- Checks should be payable to MPHS PTSO with committee name in memo field.
 - Committee is responsible for tracking who has paid and who has not paid. The Treasurer does not record every check, only the total deposit.
 - All CASH must be counted by two people immediately, with both signing the deposit form.
 - Funds collected in cash should be inserted into the safe along with the completed deposit form (located in the mail room near the MPHS main office) as soon as reasonably possible.
 - Deposit forms are available on the PTSO website and in the Treasurer's mail file in the mail room at school.
- Financial Review Policies:
 - Financial review may be conducted by one (or more) members of the Financial Review committee as needed/upon request, but no more than monthly.
 - The Financial Review committee may, at any time, recommend that the financial records be reviewed by a certified public accountant.
 - Financial Review shall be conducted at the end of each fiscal year, and during the year if the current treasurer leaves office.
 - Annual Financial Review and any other interim reviews shall follow the checklist provided by the Treasurer, at a minimum. Other items may be added to the review at the discretion of the Financial Review Committee.
 - The Treasurer shall deliver to the Financial Review committee the Financial Review Checklist and any supporting documents and records.
 - While a Financial Review is underway, no financial transaction should occur (no bills paid, no deposits made).
 - The Financial Review committee shall provide a completed checklist to the Executive Committee when the review is complete.
 - Treasurer and Executive Committee shall review the Financial Review Check List and Recommendations and determine corrective action as needed.
 - The Treasurer shall present the Annual Financial Review Report to the Executive Committee and General Membership at the fall meeting.
 - Vendor selections: The PTSO strives to secure quality products and services for the lowest cost. To that end, volunteers should seek multiple bids from vendors for products and/or service. In-kind donations are welcome. PTSO encourages the use of vendors who have ties to the school and wish to offer support through the provision of goods and/or services.
 - Donations for Other Groups: On occasion, the PTSO will receive a donation or an employee-matching gift that is designated for a separate organization (for example, IB or Theatre or DECA). If the intended organization is within MPHS, the assistant treasurer should request proof of non-profit status from the intended organization (either a copy of the IRS letter or a W-9). If the intended organization has non-profit status, the PTSO can deposit the donation or matching gift and create a check for the same amount to pay the intended organization. If the intended organization does NOT have non-profit status, the PTSO should contact the donor to determine how to handle the donation: either keep as a PTSO gift or return to the donor. Copies of the

non-profit status documents should be kept on file and requested again each fiscal year. (Note: this policy is in place to protect/safeguard the PTSO 501(c)3 status as prescribed by Accountant)

- Returned Check Policy (NSF Policy): If MPHS PTSO receives a returned check from our bank due to insufficient funds, it is **not** our practice to attempt to recover the bank fee charged to the PTSO. We do ask that the original amount be resubmitted, preferably in cash or by money order at the discretion of the Executive Board.
- Insurance: The PTSO shall maintain Liability and Fidelity (Bond) Insurance coverage. Total bond coverage should be at minimum 50% of peak cash flow.
- When a check is written to any person with check signing authority, that person should not be one of the two that signs the check; check should be signed by the other two people who have check signing authority.
- Financial Processing for Other Groups/Clubs:
It is **not** within the scope of the PTSO to provide financial services (treasurer duties) to other clubs or groups at MPHS. Other groups at MPHS should be encouraged to set up their own organization, with parental support and proper corporate governance.
 - However, in specific situations where the transaction volume is small and parent support is limited, the executive board may decide to provide financial services to other clubs or groups. This currently includes Sunshine Fund (for staff), Culinary activities (outside of the standard curriculum) and Auto-Tech activities (outside of standard curriculum).
 - In cases where PTSO agrees to provide financial services, the PTSO commits to these groups that any net income achieved from activities will be retained by the same group, even across year end. Furthermore, the PTSO agrees to not impose undue oversight or management of how the net income is spent (i.e., standard ethical guidelines will apply but no additional management or approval will be required for spending.)

FUNDRAISING POLICIES & PROCEDURES

- PTSO Annual Fund is an annual giving campaign and is the sole fund development vehicle for the PTSO.
 - The Campaign is co-chaired by one or both of the incoming President-Elects (at their discretion). The PE(s) shall handle all announcements, advertisements and thank-you notes.
 - The Annual fund committee shall include the Asst. Treasurer, a Matching Gifts Coordinator, at a minimum, and other members at the discretion of the Annual Fund Chairs (PE).
 - The Asst. Treasurer shall prepare deposits, tally and keep track of incoming donations and anticipated pledges.
 - The Matching Gift coordinator shall track anticipated matches, actual matches, communicate with matching companies, verify donation and provide other documentation as requested and tracking.
 - Goal is determined based on needed funding for operating budget expenses and strategic efforts identified by school administration.
 - Funds raised will go to support the activities and initiatives as provided for in the PTSO operating budget and school support funding requests.

- PTSO Annual Fund only accepts gifts that are unrestricted. Should a donor wish to make a restricted gift, the Executive Committee will address such requests on a case-by-case basis (i.e. memorial funds, special project/school improvement, Community Impact Committee, etc.). Such gifts will still be considered tax deductible but not considered a donation to the PTSO Annual Fund.
- Typical Solicitation Procedures:
 - Initial solicitation should be mailed to homes over the summer.
 - Second solicitation should be sent home in the Back to School Packets.
 - All parents are to be encouraged to give. 100% participation is ultimate goal.
 - Corporate matches should be pursued.
 - Acknowledgements, updates and additional solicitations should be made utilizing the Mustang Express and other communication tools of the PTSO.
 - Additional efforts may be utilized at the discretion of the Executive Committee
- Additional fundraising efforts:
 - PTSO should abstain from any additional fundraising activities as an effort to avoid conflict with other student and booster groups of the school.
 - PTSO is sensitive to the fact that staff as well as multiple student and booster groups of the school request donation from parents, both monetary and/or supplies, thus PTSO Committees should not solicit parents for additional donations (i.e. gift cards, etc.) but rather ask for funding needs from the PTSO if funds needed exceeds established budget amount.
 - Exception to this policy:
 - Committees that ask for donations from within committee as part of the annual job description.
 - Committees seek approval from Executive Committee prior to conducting a drive for goods or supplies.
 - Any changes to these policies or request for additional fundraisers should be presented to the Executive Committee at a regularly scheduled meeting.

COMMUNICATION POLICIES & PROCEDURES

- PTSO shall communicate activities, events, opportunities, offers and information that directly apply to MPHS, MPHS staff, students, families, or the CMS system.
- For security purposes the PTSO uses position specific Google Mail accounts for all Executive Board positions and for the Annual Fund (Giving) and Prospective Parent (Tours). These are the ONLY emails that will be published on the Myers Park website and in materials sent to parents and the general public. See **APPENDIX C** for a listing and set procedure of the accounts.
 - Additional committees may utilize Google mail as needed. Other PTSO email addresses include:
 - Mustang Express - mpmustangexpress@gmail.com
 - MPHS Directory opt-out - mphsdirectory.optout@gmail.com

- PTSO may communicate events or offerings from our feeder schools that are applicable to our student or parent community.
- PTSO does not generally offer advertisement services for businesses, vendors, organizations or events other than through sponsorships on our website. Any exceptions to this policy (for non-profit organizations, for example) should be approved in advance by the Exec Committee.
- Publications and Communication tools of the PTSO include the Mustang Express, flyers, posters, ConnectEd phone messages, morning announcements and news print announcements and advertisements. Any announcement or communication that does not directly pertain to school business should be brought before the Executive Committee for approval prior to submission for publication.
- Executive Committee and principal have final approval on all communication and the right to edit text submitted for clarity, brevity, etc.
- Bi-weekly PTSO email communication is the Mustang Express:
 - Submissions to the Mustang Express should have direct relation to MPHS and the MPHS community.
 - PTSO does not offer advertisements through Mustang Express.
 - Mustang Express is published every Tuesday and Friday. Announcements should be submitted at least 2 days prior to release.
 - Announcements will only be run in 2-3 consecutive issues. Then announcement must be resubmitted for publication.
 - Announcements should be submitted via email, ready for print, to the Mustang Express Chair.
 - All submissions will be sent to school administration for final approval prior to publication.
- The Co-Presidents, or their appointed representative, shall be the voice of the PTSO and respond to all media and press inquiries.
- PTSO Event Calendar:
 - The Co-President-Elects along with the principal establish the original PTSO event calendar each spring.
 - Requested events should be submitted to the incoming co-presidents prior to the spring calendar meeting.
 - The incoming PTSO presidents should initiate spring calendar meeting. Attendees should include: Principal or designated AP, Executive Secretary, Incoming Presidents, Guidance Representative, Theater Chair, Athletic Director, IB President, Testing Coordinator and any other designated staff representative, as needed.
 - The current calendar will be published on the PTSO website and held in the school office.
 - Committee Chairs are responsible for ensuring the accuracy of the published calendar and requesting/notifying the co-presidents any needed changes are made.
 - Committee Chairs also need to ensure that the front office staff is aware of calendar or event changes
- PTSO Website:

- Contains basic information about the PTSO, contact lists, forms, policies/procedures, corporate documents, school links, calendars, school initiatives and announcements.
- Officers and Committee Chairs are responsible for ensuring information about their events or initiatives are current and correct prior to the beginning of each school year.
- Updates should be submitted to the Website Chair.
- Morning Announcements:
 - Announcements over close circuit TV go out each morning. This is great way to get messages to the student population.
 - Contact the co-presidents should you wish time on the announcements and for the name of the staff member to contact.
 - A link to watch the announcements is available on the school and PTSO website.
- ConnectEd Phone message: contact the co-presidents and/or principal if you have a message that you need to relay via phone to the parents.
- Posters/Flyers:
 - The school has the capability of making laminated banners and posters. Please see the co-presidents for approval, access to and instruction on this machine.
 - Flyers will need to be approved by the co-presidents and/or principal. Note that flyers are not a typical mode of communication and there is no good manner of distribution. Reimbursement for copies is not typically approved unless this is a standard operation of your committee.
- Hoofprint Student Newspaper: student run newspaper is a good way to reach the student population. Contact the teacher/advisor with your story idea. They may pick up and run your story.
- Newsprint/Advertisements: advertisements and announcements submitted to outside news sources must be approved by the co-presidents and/or principal prior to submission.
- Social Media – Submit any social media posting requests to Assistant Principal (Allyson Davis). She will post on social media outlets including MPHS Facebook Page in Twitter.
- MPHS Logos – contact the co-presidents or the website chair for copies of the MPHS logos. Logos can also be found at mphsptso.org under “Forms”

AWARD/GIFT POLICIES & PROCEDURES

- Each spring the Co-Presidents may designate recognition awards to be given to volunteers or staff at the annual meeting or staff luncheon.
- Each spring the service of the outgoing Presidents shall be acknowledged by adding their names to the President’s Plaque, located in the school office, and having a brick placed in the stadium. The incoming Presidents are responsible for updating the president’s plaque and arranging for purchase of a brick from the Mustang Club.
- Teacher/Staff recognition is a joint effort administered by the administration and supported by the PTSO. PTSO role is to assist with providing acknowledgement supplies and efforts as requested by administration.

- Teachers will be supplied with a MPHS lanyard.
- Credential Frames will be placed outside each classroom/office. Teacher/Staff of residence should display card listing credentials, schools, degrees, and other professional achievements. Credential cards will be updated annually as needed.
- Hoofing It Awards: Each month, staff may acknowledge fellow members for exceptional dedication to the Myers Park community with a hoof pin to place on their lanyards.
- Service Awards: Years of service will be acknowledged annually. Lanyard service pins given to teacher/staff who have given 5, 10, 15 and 20 years of service to Myers Park. A special pin will be given for 25 years of service.
- National/State/District/County Teacher of the Year and Rookie Teacher awards given annually and based on the National criteria. Teachers who received these awards will be acknowledged with a desk plaque and \$50-\$75 gift.
- Death of student or staff - If the school experiences the loss of a current student or current staff member though death during a school year, the PTSO may authorize a monetary gift not to exceed \$100 to a memorial fund identified by the family or the PTSO will add a plaque to the campus Memorial Garden in memory of the current student or staff.

CONTINUING EDUCATION GRANTS FOR STAFF

- The PTSO will annually award scholarships to MPHS teachers and staff who are currently enrolled in continuing education or actively pursuing additional certification, including but not limited to, National Board Certification.
- Applications shall be made available to staff in the spring of each year with ample time prior to the due date.
- Scholarships are applied for and granted in the spring of each year. They are for costs incurred from April 1st of the prior year to the current April 1st. This allows for expenses from the prior summer to be eligible for consideration.
- Scholarships should generally not exceed \$1000 per person per year. Applicants can apply for lesser amount if the cost of their continuing education is less than \$1000 in the current year. Exceptions to the \$1000 maximum may be approved, in rare cases, by vote of the entire Exec Committee.
- Application should be approved by the appropriate Department Chair before being submitted to the principal.
- To be eligible for consideration for a scholarship, teacher must be a member of the PTSO, current employee of MPHS and must have completed the work after the disbursement cycle of the prior year (April), currently enrolled in or actively seeking additional certification, continuing education, including but not limited to, National Board Certification.
- Applications must have a receipt for tuition or payment attached.
- Application Review Committee shall consist of the school principal and members of the PTSO Board. Application Review Committee shall review all applications and consider the answers provided in the standard form.

- Application Review Committee may award applicants less than the requested amount if the total amount of approved applications is greater than the budget available.
- Principal shall request that each applicant demonstrate that they are currently enrolled in a continuing education or certification program or have completed said course work after the April disbursement cycle from the prior year.
- There are no future requirements or conditions since each scholarship is a one-time gift based on expenses already incurred.
- There is no limit to the number of times/years that an applicant may seek a scholarship. However, each subsequent application is evaluated independently of any previous applications. There is no guarantee that a subsequent application will be approved.
- Approved scholarships are paid directly to the individual to reimburse for costs already incurred. A cover letter from the PTSO co-Presidents should be included with the check.

MARKETPLACE COMPARISON REPORT

The Marketplace Comparison Report is intended to provide a period review of large reoccurring expenses to ensure expenditures are getting the PTSO the best value for money spent. A sample is included as Appendix A.

- For any reoccurring subscriptions or software purchased, there should be a marketplace comparison report completed every three (3) years.
- Due date for this report should be noted on the monthly budget statement by the treasurer and carried forward annually until a new report is submitted and a new due date is set.
- The marketplace comparison report should be prepared by the content owner of the subscription/software as defined by the principal.
- The report should include the following:
 - Consulting with peers at other public and private institutions to seek alternatives
 - Search for other options using trade associations, marketing materials and any other appropriate sources
 - Detailed comparison and cost estimate of minimum of three (3) options, where one option can be current MPHS solution
 - Evaluation of features/functions used at MPHS vs. features available
 - Comparison of costing method (e.g., base cost + add-on modules vs. individual student licenses)
 - Final Recommendation

BENEFIT REPORT

A post-expenditure Benefit Report is intended to provide the PTSO Executive Board with additional information regarding some of the largest expenses, to ensure expenditure are in line with PTSO and

school objective and provide the best use and highest impact. A sample letter and form is included as Appendix B.

- For the PTSO Exec meeting each quarter (based on school calendar), the treasurer shall present a report of any Direct School expenditure that exceeds \$2500 (either one check or cumulative for the same item).
- The Exec Board shall review this report and vote on which items should require a Post-Expenditure Benefit Report. Intent is that items that have a detailed grant request or are generally well known to Exec Board will NOT require a Benefit Report.
- For items voted to have a Benefit Report, presidents shall complete top 1/2 of the report and distribute, giving 2 weeks for responses to be returned.
- This report should be prepared by the budget owner or grant requestor as designated by the principal.
- The report should include:
 - Detail on total expenditure (what was purchased)
 - Benefits received from expenditure
- Presidents shall present the responses at the next Exec meeting.

POLITICAL AFFILIATION POLICY & PROCEDURES

The PTSO shall not participate in any activities that do not further the purpose of the organization. The PTSO is non-partisan and shall represent only interests that benefit all of its members. The PTSO may not participate in any partisan political activity.

RECORD RETENTION POLICY

All records of the PTSO shall be maintained in accordance with the rules of the IRS:

- PTSO Organizational Documents - Organizational records include the Organization's articles of incorporation, by-laws and IRS Form 1023, Application for Exemption. Organizational records should be retained permanently. IRS regulations require that the Form 1023 be available for public inspection upon request.
- Tax Records – Though the PTSO is a non-profit we must still file annual documents, including Form 990 with the IRS. Such records should be retained for at least seven years from the date of filing. Additionally Form 990 must be made available for public review upon request.
- Executive Board and Board Committee Materials - Meeting minutes should be retained in perpetuity in the Organization's minute book. A clean copy of all other Executive Board and Board Committee materials should be kept for no less than three years by the Organization.
- Other documents - any other documents created, maintained, signed, agreed to by the PTSO should be kept for not less than 7 years.
- Documents are held in the designated PTSO secured area in the school administrative offices.

APPENDIX A - MARKETPLACE COMPARISON REPORT SAMPLE

SAMPLE of Marketplace Comparison Report

MPHS currently uses XXXX for doing the following really important stuff. We have had a subscription/license for x years.

Peer Information:

CMS School #1 uses BBBB but thinks there are better options available.

CMS School #2 uses CCCC and it meets their needs (which seem similar to ours)

Private School #1 uses AAAA, which has less features than XXXX but meets their needs since they have a significantly smaller student body.

Private School #2 uses FFFF. They recently switched to this option and they love the features and flexibility.

Other Sources:

The Journal of the National Association of People with Similar Jobs had an article on this topic 2 years ago and it evaluated BBBB, AAAA, FFFF but did not give a recommendation on any one solution.

General internet searches also yielded one new product = DDDD but there is little information on this product other than the companies own website.

Detailed Evaluation

Based on preliminary feedback, we decided to compare products XXXX, AAAA, BBBB.

Product	XXXX (current MPHS solution)	AAAA	BBBB
Feature One	Included in base	Included in base	Included in base
Feature Two	Cost extra	Not available	Included in base
CMS Approved Vendor	Yes	Yes	Yes
Cost	\$1100 per year (\$500 for feature two not needed)	\$1500 per year	\$1000 per year
(*add lines as needed)			

Recommendation

Although BBBB is slightly cheaper for the functionality that MPHS requires, we feel like the time and effort to convert to a similar solution is not worth the small savings. We recommend staying with XXXX.

APPENDIX B - BENEFIT REPORT LETTER AND FORM

(insert date)

Dear _____,

The Myers Park High School Parent Teacher Organization strives to support the entire school in countless ways each year. We have recently implemented a new policy that asks for additional information on large expenses. These requests are made for all large expenses so PTSO Exec Board can better understand how fundraising money is spent and convey that information to our donors. Please know that this request should **not** be a cause for concern or a reflection of the perceived value of the expenditure.

Sincerely,

Beth Moss and Isabel Bader
