

## Welcome to Myers Park High School 2025-2026

At MPHS, our students, parents, teachers, and staff play important roles in cultivating a sense of family. The Parent Teacher Student Organization (PTSO) plays a central part by supporting and enhancing the educational experience offered to students, teachers, and administrators. The PTSO develops and supports initiatives and programs by providing resources to improve the educational environment at MPHS.

In support of MPHS and our students, please complete the following back-to-school actions:

- ☐ **Complete Back-to-School Forms:** Please visit <https://mphsptso.org/forms/back-to-school-form/> to complete online back to school forms. This link will also have information on how you can support the PTSO, as well as information about senior signs, ordering yearbooks and other literary subscriptions. If you would like a printed copy of the back to school forms, please contact the PTSO Secretary, Cecily Hudson, at [mphs.ptso.secretary@gmail.com](mailto:mphs.ptso.secretary@gmail.com).
